The Pleasant Valley tunnel on the L. and N. caved in again this morning, tying up traffic on the road for the time being.

The early morning train was caught on this side of the mishap and at the time THE LEDGER was notified it was not known whether or not transfer of passengers could be made.

SERIOUSLY INJURED

Well Known Aberdeen Citizen in a Critical Condition

Thomas Connell of Aberdeen, O., whose illness has been noted in THE LEDGER, received injuries yesterday morning about 5 o'clock that will in all probability result in his death.

During the temporary absence of his sister from the sick room, and while in a delirious state, Mr. Connell crawled out of a second story window onto the roof of a veranda and toppled to the sidewalk, a distance of ten or twelve feet.

He sustained three broken ribs in the left side, nose and leg broken, and it is thought internal injuries. Owing to his advanced age, 73 years, his recovery is not probable.

Mr. Connell is one of the oldest steamboat engineers now living, and of late years has been in charge of the engine room of the Maysville Ice Company's Plant in the Fifth Ward.

He is reported to be in a critical condition this morning, his death being expected at any moment.

FOR PRESIDENT,
WILLIAM H. TAFT,
of Ohio.

FOR VICE-PRESIDENT,
JAMES S. SHERMAN,
of New York.

FOR CONGRESS,
Hon. JOSEPH B. BENNETT.

THE Lexington Gazette "innocently" says:
"Rather than embarrass his party while he was under fire, Governor HASKELL of Oklahoma has resigned as Treasurer of the National Democratic party."

A Fine Piece of
Political Irony.

at by the owner, the only difference being that both escaped with the goods.

And in another paragraph The Gazette remarks with a great flourish of trumpets that Mr. OILY GAMMON HASKELL is to be succeeded by

"HERMAN RIDDER, a man of the highest character and a Democrat whose life, public or private, cannot be successfully attacked."

The Gazette tacitly admits then that HASKELL was "successfully attacked" because he "resigned under fire" from the red hot guns of General HEARST.

The Gazette should also have informed its thousands of "blind Democratic readers" that

this HERMAN RIDDER of "high character" was also the same HERMAN RIDDER who made such a rumpus last May and June, just preceding the Denver Convention, and who said he was going to Fairview, Nebraska, Mr. BRYAN's home, and advise him to withdraw from the Presidential race, as he would be the worst defeated candidate in the history of the country.

In 1896 and 1900 Mr. RIDDER was one of the bitterest of Mr. BRYAN's opponents. He couldn't find a redeeming quality in the Democratic Presidential candidate in those years.

As Mr. BRYAN has not changed, it must be that Mr. RIDDER has, and one naturally seeks an explanation for so extraordinary a change.

TODAY's best joke: That the big smoke that has been hovering over the country for several weeks is caused by burning campaign issues.

CHANDLER, the Democratic nominee for Governor of New York, is worth \$10,000,000—which is not calculated to hurt his chances any. —Nashville American.

MESSRS. TAFT and BRYAN seem to be dividing honors with one DEBS. "If" DEBS lands the bulk of the Socialist vote it will cut some figure in naming the next President.

THE thing most needed now is a restoration of confidence. Business men are waiting to know what is going to be done with the Tariff. The Tariff is the great controller of every branch of business in the United States.

"OLD BILL TAFT."

By REV. HY J. BOATMAN.

[Tune: "America."] For leader strong and great To man the ship of state, Both fore and aft; To guide where breakers roar, To safely land our store, To quiet all uproar, There's old Bill Taft.

To White House, there to stay And Bryan send away Upon a raft; To do, as Teddy did, What all our people bid, For man upon the lid, There's old Bill Taft.

To do what's good and just, Strike down the evil trust And all of craft; To keep our money pure And plenty, too, and sure, The hard times' only cure, There's old Bill Taft.

Reform his flag unfurls, Against all evils hurle Unerring shaft. Then let our trumpets blare, "He's always on the square, At home and everywhere, Is old Bill Taft!"

[Official Circular.]

Indianapolis, Ind., Oct. 7, 1908. To the Officers and Members United Mine Workers of America:

Greeting—We are in the midst of a political campaign. Every method known to political managers will be used to secure votes for their respective candidates. This is especially true in the attempt to obtain expressions from those holding official positions in labor unions.

I am in receipt of hundreds of letters from men of all shades of political beliefs and from all parts of the United States asking for my opinion of the different candidates or my views upon the issues involved in the political campaign.

The United Mine Workers did not elect me international president to influence your political preferences or how you should cast your vote on election day. You have elected me to direct the affairs of the United Mine Workers. The success of the United Mine Workers and the welfare of its members have and will receive my first and only consideration as long as I have the honor of representing you.

I am not responsible for interviews appearing in the newspapers, alleged to be from me, that I favor any particular candidate. I have declined to express or to give any statement politically for or against any candidate or issue, nor do I intend to do so. This letter will be my answer to all who ask me for any advice along political lines.

I have the honor to represent an organization of nearly 300,000 members of every known nationality and different political views. We have among our members Prohibitionists, Populists, Independents, Socialists, Democrats and Republicans. From what I know of our members you are fully competent to decide for yourselves how you will vote on election day.

All my time is required to look after the interests of the United Mine Workers. Those interested in the subject matter of this letter will please refrain from writing me in connection with politics if they hope to get an answer.

The United Mine Workers as an organization has been in existence for many years before this political campaign, and we all wish that it may live many years after the present campaign has passed into history and until every wrong of which the miner complains is honorably adjusted. Yours fraternally and for harmony,

T. L. LEWIS,
President U. M. W. of A.

The Esperanto Vote.

[From the New York Sun.] Oh, why is it neglected so—The Esperanto vote? Both parties should awake and, lo, Immediately take note And send some cart full speakers out To tell those people that Oik metoskik, terrado skowt Tok mokku vesok zat.

Why are no pamphlets sent abroad, To each new language sharp, Some presidential boom to laud And on some issue carry? Were all those highbrows made to see The doctrine in this light: Hip toosie ping-e toot toot whee Zing gok, they'd vote all right.

The field is big and yet untilled, And there great crops will grow If seed is only wisely spilled, As candidates should know. So haste, ye literary men, Press agents for the great, Sook noop owloo tikantu gen Bo hunkus ceto tata.

His Unforgettable Speech.

[Los Angeles Examiner.] The Bryan speech which will be remembered longest consists of four words: "Workingmen are public beggars."

The Bryan Policies.

[Rochester (N. Y.) Democrat and Chronicle.] "Policies of folly and disaster" is what Governor Hughes calls Bryan's varied assortment of schemes.

In the time of political warfare prepare for peace and prosperity by deciding to vote the Republican ticket in November.

One great American puzzle is to find the relation between what Bryan says on Monday and what Bryan says on Saturday.

The unemployed asked for jobs, and Colonel Bryan handed them out a copy of his platform.

LYDIA E. PINKHAM'S
VEGETABLE COMPOUND

No other medicine for Woman's ills in the world has received such wide-spread and unqualified endorsement as has Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs.

No other medicine has such a record of success for woman's diseases, or such hosts of grateful friends as has Lydia E. Pinkham's Vegetable Compound.

For more than 30 years it has been the standard remedy for feminine ills, inflammation, ulceration, and consequent Spinal Weakness.

It has relieved more cases of Backache and Local Weaknesses than any other one remedy. It dissolves and expels tumors in an early stage of development. Irregularities and periodic pains, Weakness of the Stomach, Indigestion, Bloating, Nervous Prostration, Headache, General Debility, quickly yield to it; also deranged organs, causing pain, dragging sensations and backache. Under all circumstances it acts in harmony with the female system.

It removes that wearing feeling, extreme lassitude, "don't care" and "want-to-be-left-alone" feeling, excitability, irritability, nervousness, dizziness, faintness, sleeplessness, flatulency, melancholy or the "blues." These are indications of Feminine disorders, which this medicine overcomes as well as slight derangement of the Kidneys of either sex.

Women who are sick and want to get well should refuse to accept any substitute for Lydia E. Pinkham's Vegetable Compound.

How to Cure Your Piles

Due Often To Carelessness or Neglect and Stubborn to Cure

"The knife is not always necessary to cure even desperate cases of piles," says a physician whose years and experience make him an authority. "Indeed," he says further: "I have known some very aggravated cases of long standing cured by a simple home remedy that restored to the bowels easy natural daily movements."

And the doctor is right, as many letters from cured people in various parts of the country prove. If sufferers from piles, rectal tumors and ulcers would try Dr. Caldwell's Syrup Pepsin they would often save themselves the terrible pain, danger and the heavy expense of a severe surgical operation.

Piles are often due to constipation and are always aggravated by it. Easy natural movements of the bowels such as are invariably produced by this famous laxative without pain or gripe do much to restore a normal, healthy condition to the bowels and thus cure piles.

M. H. Miller, Mowaque, Ill., says: "I have been troubled all my life with piles brought on by constipation. I tried many doctors and numerous remedies, but found no relief until I used Dr. Caldwell's Syrup Pepsin. I have used it as a laxative and stomach remedy for the past nine years and have no more troubles with piles." H. N. John, Minneapolis, Kan., says he suffered for four years with piles which were so bad that he could not work. Four bottles of Dr. Caldwell's Syrup Pepsin cured him, and he says he has not been bothered since.

Dr. Caldwell's Syrup Pepsin is a safe, sure remedy for constipation, restoring easy natural daily movements in the worst old chronic cases, yet so mild and pleasant to take mothers give it to their babies with splendid results. It is sold by all druggists at 50c and \$1.00 per bottle. Syrup Pepsin Co., 322 Caldwell Bldg., Monticello, Ill., will send a free sample to anyone who has not used it and will give it a fair trial.

SOCIAL EVENTS

One of the social events of the season was the twenty-fifth marriage anniversary of Mr. and Mrs. Sam McGlone, which was celebrated at their home in Lee street yesterday. The kind wishes of their friends were expressed in the many beautiful presents received.

The reception given by the Epworth League of the Third Street M. E. Church last evening in honor of their new Pastor, Rev. F. W. Harrop, Mrs. Harrop and their charming daughter, Miss May, was a very delightful affair.

Despite the steady downpour of rain a crowd far larger than all expectations assembled to give a public welcome to their Pastor and family. Many friends, members of other Churches, also came to assure Rev. Harrop of their pleasure at having him in Maysville again.

A short welcoming address was made by Mr. Richardson in behalf of the Epworth League, assuring their Pastor of their desire to be loyal to him in all the Church work.

Mr. George H. Frank, in his usual happy way, spoke for the Union League of Christian Endeavorers. He assured Rev. Harrop that the Union of young people desired to be loyal to him, as well as all the Pastors, and bade him a hearty welcome.

Rev. Harrop responded in his characteristic happy vein. He was greatly pleased at the royal welcome he had received since returning to Maysville and the many expressions of welcome that had been extended to him. He closed his remarks with a stirring appeal to the membership of the Church to devote themselves with the greatest zeal to doing the work of the Master in this community. His talk was inspiring, and is sure to result in increased activity along the lines of work spoken of.

The beautiful piano solos rendered by Miss Martha Trapp were a great addition to the joys of the evening.

The decorations were seasonable and were very neatly arranged and received numerous compliments.

Refreshments were served at the conclusion of the speaking and were not the least of the evening's enjoyments.

The success of the occasion reflects much credit on the members of the Epworth League, who were untiring in their efforts to give their new Pastor and family a good reception.

TO KILL THE DANDRUFF GERM.
Is the Only Possible Way of Having An Effective Cure.

If you see a woman or a man with luxuriant glossy hair, you may be sure neither has dandruff to amount to anything. In nearly every case where women and men have thin brittle hair, they owe it to dandruff. There are hundreds of preparations that "claim" to cure dandruff, but not one but Newbro's Herpicide tells you that dandruff is the result of a germ burrowing into the scalp, and that permanent cure of dandruff and its consequent falling and baldness, can only be had by killing the germ; and there is no other preparation that will destroy that germ but Newbro's Herpicide. "Destroy the cause, and you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

WELL DESERVED

The Praise That Comes From Thankful Maysville People.

One kidney remedy never fails. Maysville people rely upon it. That remedy is Doan's Kidney Pills.

Maysville testimony proves it always reliable. Mrs. Della Means, 325 East Front street, Maysville, Ky., says:

"About seven years ago kidney trouble made its appearance in my case. The first symptom was a sharp pain through the kidney regions, accompanied by a bearing-down feeling through the hips and loins. Dull, miserable headaches soon began to bother me, and I would often become so dizzy that if I did not catch hold of something I would have fallen. I continued to grow worse, until my condition became such that I was often confined to my bed for a week at a time. No remedy I used helped me in the least, and I was in a truly critical condition. Dropsical symptoms appeared, and at times there was an almost complete retention of the kidney secretions. My feet and ankles became so swollen that at times I could not wear my shoes, and this swelling gradually spread to all parts of my body, and it would be impossible to describe the misery I endured. I had about despaired of ever being cured, when I read of a person who had been cured of a similar trouble by the use of Doan's Kidney Pills. Deciding to try them, I procured a box at J. J. Wood & Son's Drugstore, and obtained so much relief from the contents of this box that I procured a further supply and through its use was entirely cured. I have no hesitancy in saying that Doan's Kidney Pills saved my life, and it would be impossible for me to give them more praise than they deserve."
